Quality dual ovenable paperboard trays.  
Our pressed board trays can now be found  
in industries such as bakery, airline catering, retail,  
and foodservice.

Our customers are committed to finding  
more sustainable solutions to meet the expectations  
of consumers, but also to do their part to help create  
a better world, for many this means switching to board  
packaging to lower the climate impact.

Our board trays offer  
up to 90% reduction in single use plastics  
– something worth thinking about.
